STATEMENT OF THE SUBSTANCE OF THE INTERVIEW

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Attorney for the Applicants has received the Interview Summary mailed by
Examiner Tamai on September 5, 2003. The undersigned has reviewed the Interview
Summary and agrees for the most part with the matters discussed. However, it is noted that
Applicant's arguments regarding the reference not teaching that the head is deflectable
should be qualified inasmuch as it was argued that the primary reference only teaches a post
that may or may not be deflectable but that the reference does not teach a post with a head
that is deflectable. In any event, a request for continued examination has been filed in this
matter and these issues will be discussed further.

Respectfully submitted,
